HOMEWARD BOUND FISHERMAN

East Coast fishing boats are a sight familiar to all local people. These sturdy boats make the run to Georges Banks and bring back the fish for the east coast markets. Shown on the cover is the Debbie & JoAnn, an 80-foot vessel captained by Kasper Kvilhaug, originally from Norway, now a Fairhaven resident. The boat is a 17 year old craft more reliable and seaworthy than many a much larger boat. She rode out the 1954 hurricane at sea and her skipper, Kvilhaug, was aboard during that storm as crew member. His respect for the boat was formed at that time and, as captain, he has complete confidence in his boat and handles her like a launch. These boats are picturesque, functional working craft. They ply the seas in all weather with crews who accept the rugged con-

Whaler's Ball

THAR SHE BLOWS!

The first spout has been sighted, so lower the long boats and head for The Shining Tides and The Whaler's Ball! As exciting as a Nantucket Sleigh Ride, the Mattapoisett Historical Society's third annual costume ball will be held Saturday, September 19th, from 9 P.M. until 1 A.M.

Dr. Donald Nahigyan is the captain this year with a seaworthy crew that helped make the balls of the past the successes they were.

On deck are Mrs. David McCormack, decorations; Mrs. Clifford I. Tripp, Jr. and Miss Dorothy L. Fox, tickets; Mrs. Robert Crabbe, house arrangements; Mrs. Murray H. DeCoffe, refreshments; and John E. Atkinson, publicity.

Tickets are limited, and early reservations would not be a bad idea.

Start getting your costumes together. Prizes will be awarded.

Weigh anchor and unfurl your jibs! This is the big one!

EVENING SERIES

Two classes raced at Mattapoisett Yacht Club in the third contest of the Evening Series Wednesday, August 5th. Out of 12 starters Ralph Eustis and Harvey Pentleton were the winners.

A light wind, under five miles, combining with a strong incoming tide in mid-harbor, proved to be an important factor in both races.

The Corinthians sailed a triangular course to Ned's Point MYC guide buoy, to Town Anchorage Red Nun 8 and back to finish in mid-harbor.

Ralph Eustis at the helm of Lisa led the fleet of six Corinthians at the first end of the windward leg, closely followed by Daniel Briggs in Instead. The pattern remained the same throughout the second leg. After rounding the Town Anchorage Red Nun 8 marker, however, Eustis tacked into shore to get out of the tide and increased his lead to win handily by 4 minutes 25 seconds. D. Briggs' Instead came in second, William Mee's Irish Eyes third.

The course for the Beetle Cats was also a triangular one, going to Ned's Point MYC

guide buoy, to Barnard's Wharf MYC guide buoy and back to finish at mid-harbor.

John Ross in Happy Too was first over the line with Jimmy Barnes' Gay Lee Ann II not far astern. By the time the boats had reached the Barnard's Wharf MYC guide buoy marker, John Ross had fallen back to second place, with Sue McGowan in Hep Cat II out front and Carol McCarthy sailing Wolf, third. Carol then tacked out into mid-harbor, taking the lead from Susan. Susan followed and the two engaged in a tacking duel. Meanwhile Harvey Pentleton in Swamp Fox stayed close to the shoreline to avoid the tide, and using a favorable wind shift, crossed the finish line 1 minute, 41 seconds ahead of Hep Cat II. Carol McCarthy's Wolf came in third, a close 32 seconds later.

harbor and proceeding to Strawberry Point MYC guide buoy, to Barstow Rock Red Nun 6 and finish.

The light wind from the east, registering five knots and under, necessitated curtailing the racing schedule from the usual doubleheader to one race for each class.

Fred Klein skippering Iterate captured first place with David Donald in Lisa coming in 35 seconds later. Paula Ruel's Lulu was listed DNF.

In the Beetle Cat contest, ten boats vied for first honors. Pat Muldoon's Slainte was the victor by a 40-second margin over second place Blue Cloud, sailed by Carol McCarthy. J. Broadwater's Agamemnon came in third.

Why wait until Spring ?

Fall is the naturally right time to improve your lawn!

The few weeks of late summer and early fall are by far the best opportunity to upgrade your lawn. Days are growing shorter. Dews are heavier. The soil is warm, and nights are growing cooler. It's the one time of year when Mother Nature has all the odds stacked in your favor — the *naturally* right time to make real lawn progress.

Turf Builder is the fertilizer that helps grass multiply itself. Turns thin browned out lawns into thicker, greener turf. Use it any time, any weather. Will not burn grass or harm grass seed. Clean. Lightweight. Easy to handle. How about this weekend?

pital and progressing well. Past Master Inez Middleton of Wamsutta Grange extended greetings and an invitation to their picnic at her home on Brandt Island Road.

The Mattapoisett Junior Grange presented a check for $5.00 towards the painting fund for the interior of the hall. The youth of the Grange are in charge of this project that is now underway.

September 17th is the date for the installation of the Grange officers with Alton Bailey and his suite officiating at this open meeting.

Lecturer Ruby Barber conducted a Hobby Show with members exhibiting a variety of hobbies. First prize was awarded to Mrs. Ollie Gifford for her "Eye Glasses Through the Ages". Second prize went to Mr. Kellish for his mechanical drawings and blueprints.

Mrs. Barber served refreshments.

Three committee on Resolutions were named. They are: Mrs. Etta Kellish, Mrs. Barber and Miss Doris Fearing for Mrs. Kate Buckley; Earle Wilson, Roscoe Barstow and Mrs. Mary Costa for Lemuel LeBaron; and Joseph Furtado, Mrs. Isabel Farwell and Mrs. Mildred LeBaron for Mrs. Lillian Perry.

A contribution will be sent to the Mattapoisett Police Association's Scholarship Fund in memory of Lemuel LeBaron.

The financial quarterly report was read. Mrs. Barber, co-chairman of the Fair supper, asked for help in kitchen work and in serving. The supper will be served at 6 P.M. Saturday, August 22nd. Exhibits for the Fair must be in place between 8 and 11:30 A.M. as the hall will be closed during the judging from noon to 1 P.M.

Sidewalk Art Show

SHOW TO FEATURE PAIRPOINT GLASS

On exhibit and for sale at the Marion Art Center's Sidewalk Show and Sale August 13 thru 15 will be many of the finest pieces of handblown crystal being made in the world today. The re-opening of the Pairpoint Glass Company in its new facilities on the Cape Cod Canal in Sagamore has once again made it possible for admirers of handblown crystal to add to their collections. The craftsmen who are working at the plant in Sagamore have brought their talent to this area from Scotland, where they learned their craft at an early age.

Over 200 artists and craftsmen are expected to participate in the Show and Sale at the corner of Pleasant and Main Streets in Marion. Jewelry, stained glass, pottery, weaving, wood carving and many other cre-

AUTO INSURANCE PLAN, HOAX NOT REFORM

The revised version of the automobile insurance reform bill passed by the House last week and calling for a 15% reduction in rates across the board is a cruel fraud upon the citizens of the Commonwealth, according to a spokesman of the 2,000-member Independent Mutual Insurance Agents Association of New England.

The Massachusetts legislature must face up to the fact that you cannot cut costs unless you cut benefits; and if you cut costs without cutting benefits, there will be a crisis in the state because the companies will refuse to write the business just as they did in New Jersey. This means the public will not be able to buy insurance, and our member agencies will be unable to serve their clients.

Russell A. Howard, immediate past president of IMANE, stated that our association

A CHRISTIAN SCIENCE LECTURE

IS FAITH ENOUGH?

Faith raised to its highest power becomes a healing understanding of God's goodness.

reluctantly supported the original version of Senate 1430 with the 15% cut in cost of the compulsory section because we knew the market problems our members were facing and because the bill was actuarily sound because it contained a cut in benefits.

The current version cuts the rate but does not cut the benefits accordingly and will result in a market crisis if passed. The House went to the ridiculous extent of only defeating by one vote, 111 to 110, a five-year freeze on auto insurance rates. They know you can't freeze the cost of a can of beans for 5 years, never mind the cost of automobile insurance, unless you also freeze the cost of the component parts. How can you freeze auto insurance rates 15% below the current level unless you also freeze the

cost of auto repairs, hospital charges, doctor's bills, and legal fees?

The legislature knows all of those component costs are going up and yet they try and wave their irresponsible magic wand and hoodwink the voters into thinking they are going to cut the cost of auto insurance 15%. We know this is an election year, but we urge the legislators to stop playing politics and solve the problem. Change the auto insurance system, if you must, but face up to the facts that if you cut the costs, you must cut the benefits or lose the market. If you insist on fooling the voters with a 15% rate cut across the board without a similar cut in benefits, you will be responsible for the fact that the public cannot buy automobile insurance in Massachusetts and that many small and large insurance agencies will be forced out of business.

Massachusetts will face a crisis like New Jersey and the burden will be on those legislators and the governor who are responsible for this political charade.

We are most willing to let the legislature decide what benefits the public needs; but let the insurance commissioner decide the pricing of it, after public hearing based on facts.

Marshall Cobleigh, CAE, General Manager,
Independent Mutual Agents of New England.

YWCA NEWS

Youthpower is scheduling its final training clinic on Thursday, August 13th, from 11 to 12 noon in the YWCA dining room. The topics to be covered will be office manners and a successful job interview. Miss Aurora Zola, business education instructor at the Plus Kinyon School of Business, will be the speaker. Personal appearance and discussion of office typing, filing and receptionist work will be presented. Any interested young person is welcome to attend. These clinics are designed by Youthpower to provide valuable knowledge for teens who are unemployed. The skills learned in these sessions are to provide a background for the teens when they do find employment.

The Y-Teen Service Corps' Project Friendly Visitor is already beginning to bring some joy and sunshine into the daily schedule of the elderly. The group has plans to work

with five area nursing homes in the area; the Hallmark Nursing Home; Savoy; Our Ladies' Haven; Sacred Hearts and Nichols. A meeting with the directors of these homes was held and various problems and needs were discussed. Members have already visited Sacred Hearts, Hallmark and Savoy. These are familiarization visits for the young people and each week there will be special trips until the majority of the group have visited all five homes. The Y-Teens are currently making regular visits to the monthly birthday parties at Hallmark. Project Friendly Visitor has also expanded into a two-fold operation of give and take by establishing these programs; bringing sunshine to the elderly; inviting the elderly to teach their special skills to the young people. These skills are expected to range from wood-carving to the care of house plants. According to service co-chairmen, Isabel Jorge and Joseph Menino, there will be much emphasis in this area of mutual service - taking advantage of the elderly's special talents and at the same time giving young people the opportunity to get to know the senior citizens.
